Subject: **2026 National Development Program**

I am writing as a follow-up to our recent meeting, and your application for the National High-Performance Program (NHPP). It's great to see your continued progress including training and competing at the University of Houston.

Although you applied for the NHPP, the High-Performance Committee has approved you for re-acceptance into the National Development Program. Given you didn't attain the minimum ITF ranking threshold for the NHPP, and it's your first year in the quad division, the NDP remains the best fit at this time.

Please find the 2026 NDP Handbook attached for reference, and the Tennis Canada/Athlete Agreement for your review, signature, and return. Your 2026 base and first half funding will be confirmed and communicated to you in January.

I look forward to working with you throughout 2026 and if you have any questions, please do not hesitate to contact me at jpetras@tenniscanada.com.

Thank you.
